FIELD TRIPS

We try to expose children to many different experiences, which sometimes means going to visit local places of interest. We will be traveling in personal cars and appreciate any assistance from parents. You will receive notice of the field trips in advance with departing and returning times as well as location and emergency phone number. The signing of this form allows your child to be a part of the field trips.

PICTURE RELEASE

Throughout the year your child's picture will be taken to be used as part of our program (unit on self, birthdays, etc.), to promote the preschool within our church (newsletters and bulletin boards within the church), and to promote the activities of the preschool in our community (newspapers). The signing of this form allows us to take pictures of your child and use them in the manner you approve below.
